Level 3 Advanced Technical Diploma in Hairdressing

## Pre course practical assignment- to be completed by 5<sup>th</sup> September 2024

### Make a piece of creative ornamentation and incorporate it into a hair style design

Your task is to source items from car boot/charity shops/jewellery boxes that could be constructed with wire, glue guns and fabric to make a fascinator/headress or an ornamentation piece that will compliment a long hair up/down hairstyle that you will create, on your 'Pivot Point' blonde tuition head that is in your L3 hairdressing kit.

You are also required to create an electronic mood board through **Pinterest Shuffles** showing the inspiration of the hairstyle that will link to you physically designing and making the ornamentation and choosing a hairstyle that will complement the total look.

Mood board and craft items need to be sourced and brought in for Wednesday 6<sup>th</sup> September alongside the tuition head and kit to complete the task and to photograph the results
