

Foundation Diploma in Travel and Tourism Level 3

I am **Judy Shannon** one of the L3 **Course Directors** and am very much looking forward to meeting you all soon. I have been teaching Travel and Tourism for the past 15 years and love everything about the industry. It is such a fast paced, exciting environment with a world of opportunity.

I love to travel and enjoy researching destinations, planning itineraries and immersing myself in the culture.

I thoroughly love teaching and meeting new students. My passion is seeing students grow and develop their confidence and new skills over the time they are on the course. I also love watching students reach their true potential and go on to have amazing careers within the Tourism Industry.

We look forward to welcoming you to the course.

Let the adventure begin!
