

TALENTFORGE

West Suffolk Skills Development Programme

This project is funded by the UK Government through the UK Shared Prosperity Fund

Level 2 Certificate - Understanding Environmental Sustainability

Who is this course suitable for?

This course is aimed at anyone seeking to improve their understanding and awareness of environmental sustainability.

What can I expect to learn?

- Principles of Sustainable Development, Sustainable Communities, Sustainable Energy Management.
- Social Responsibility of Businesses.
- Waste Management.
- Sustainable Transport.

How long is the course?

This is a 12-week (approx. 120 hours) online Self-Study qualification course. It can be started anytime and accessed (via a learning portal) at times/days to suit you.

How and where do I study?

All learning will be online (self-study) and can be completed at a time that suits you without the need to attend college. Dedicated tutors will provide written feedback on the assessments and ongoing remote support where required.

The course includes online learning materials in the form of interactive resources and flipbooks, a personalised login to access the online learning portal will be given on enrolment.

Are there any exams or assessments?

You will be required to work through a series of tasks and activities designed to reinforce the learning process and demonstrate your knowledge. Your personal tutor will then assess your work and provide you with constructive feedback for each unit.

Will I achieve a qualification or certificate?

Yes, a TQUK Level 2 Certificate in Understanding Environmental Sustainability (RQF).

Are there any costs?

No, this course is FREE to all eligible participants.
